Dear ARDF Friends!

Slovenian radio amateur society - ZRS is organizing the 22nd IARU Region 1 ARDF Championships which will take place from 2nd to the 8th of September 2019. All current preparations are going as scheduled.

We wish you the best preparations for the Championship and we will do our best organizing it, so that it may be satisfactory for everybody.

Fans of the sport or anyone else that would like to observe the activities are also invited.

Looking forward to meeting you,

Chairman of the Organization Committee
Bojan MAJHENIĆ, S52ME
Venue
Sports recreational centre Rogla

An excellently equipped sports recreational centre and a natural climatic health resort Rogla lies on one of the tops of Pohorje, with an altitude of 1517 meters above sea level. It is only 15 km away from Zreče, a city known for its spas and internationally established companies, such as UNIOR, Weiler Abrasives and GKN Driveline. The centre itself is surrounded by streams, clean forests and green meadows and pastures. On Rogla, you can enjoy the pleasant temperatures and the beneficently healing climate, that drives away tiredness and refills your batteries.

The centre is a modern, summer and winter sports centre. It covers the entirely artificially snowy alpine skiing courses, Fun park - a paradise for boarders, a new running course, skiing school, sports hall, tennis courts, basketball and volleyball courts, a gym, climbing wall, wellness centre with a swimming pool, saunas and massages, as well as an adrenaline sledding ground and numerous strolling and hiking paths...

With 600 parking spaces, 550 beds in hotels Planja, Natura, Rogla, Brinje and bungalows Rogla and Gaber, it is an excellent location for sports and recreation, as well as spending your free time and vacation during any season. Culinary delights, fun and health are also provided.
Accommodation

Sports recreational centre Rogla

The participants will be staying at a hotel complex of the Sports recreational centre on Rogla, in double or three bed rooms, internationally categorized with three stars, including a wellness centre, swimming pool and a full board (three self-service meals). All rooms have a WC, a bathroom and a TV.

A single-bed room can be specially arranged with additional payment.
Championship location

Most of competitors usually come with their own transport. Therefore you may use the given coordinates for your navigation system (GPS).

Description of Terrain Characteristics

Foxoring: Hilly area with some steeper slopes (1300-1517m a.s.l.). Competition area covers forest as well as ski slopes and pastures. Many small marshes, watercourses and a lot of vegetation detail. Average network of paths and forest roads.

Classics: Moderately hilly area (1220-1340m a.s.l.) entirely covered by forest. Many marshes, watercourses and a lot of vegetation detail. Poor to average network of paths and forest roads.

Number bips
For each competition there will be the same number bibs. Competitors shall wear bibs on the chest.

Starting groups, Categories
In the registration form the team has the chance to indicate in which starting group should the specific competitor start. There are 3 starting groups - early, middle and late. In the form you can mark this with numbers 1 (early), 2 (middle) and 3 (late). If not marked, the competitors will be put into the starting groups according to their order on the registration form. If you do not wish to specify the starting group for a competitor, but the competitor will take part in the competition, put X in the registration form in the proper cell. If there is no number nor an X it shall mean that the competitor is not taking part in that competition. Also, in the registration form, mark the category for each competitor for each competition separately.
